Saint Mark UMC **BELIEVE!** Campaign to Culminate at Century II Convention Center

(Wichita, KS)— An estimated three thousand believers and non-believers are expected at the Saint Mark UMC **BELIEVE!** event set for 10 a.m. Easter Sunday, April 4, 2010 at the Century II Convention Center. Saint Mark UMC will once again move out of the comforts of their sanctuary into the downtown Wichita Convention Hall for a unique experience and worship production that includes Jesus as the headliner! A delicious Easter Brunch buffet, with live jazz, entertainment and give-a-ways will immediately follow the **BELIEVE!** celebration.

“Moving worship out of our sanctuary into Century II is an intentional effort to invite all of the Wichita community to come and celebrate the Resurrection,” said Pastor Dotson. Being at a central location, having plenty of parking coupled with the unique, creative and dynamic worship experience being planned for everyone, especially children, will make for an exciting Resurrection Sunday, he said!

Saint Mark Easter campaign has reached thousands through all forms of advertisement, street teams and word of mouth...all sharing the same message, **Believe!**

“We believe that people matter to God, said Pastor Dotson. We believe in the significance of our mission and we believe that we are called to reach the masses on Easter to share a very simple message – that Easter represents a fresh start and new beginnings on this journey called life and faith.

Saint Mark UMC turns 100 years old this year and events are planned for the entire year to highlight and celebrate the church’s history and contribution to the Wichita community and its members.

“As we celebrate 100 years, said Pastor Dotson, we are expanding our borders to transform lives. We are more intentional, determined and excited about the work to reach thousands of new people for Jesus, exclaimed Dotson. Easter will be our new beginning and fresh start.
